Surf to City Yacht Race 2022 Notice of Race Gladstone Ports Corporation

The 29th edition of the Surf to City Yacht Race will be conducted on the waters of the Queensland Coast between Southport and Shorncliffe. The race will be held on Saturday, January 22, 2022.

Owners and charterers of eligible boats are invited to enter on the conditions of this Notice of Race.

The race is organised and conducted by Queensland Cruising Yacht Club ("The Organising Authority").

There are two courses. The Inshore course charts a course inside of the Stradbroke Islands. The Offshore course goes outside of the Stradbroke Islands and Moreton Island. The start of the race will be in the vicinity of Gold Coast Seaway and the finish will be in the vicinity of Shorncliffe headland.

The race is a 49 nautical mile passage race for the Inshore Fleet and 94 nautical mile passage race for the Offshore Fleet. Details of the course will be included in the Sailing Instructions.

1. RULES

1.1. General

The race will be governed by the current versions of:

- the rules, as defined in the Racing Rules of Sailing (RRS) 2021-2024 of World Sailing;
- the IRC 2021-2022 Rules Parts 1, 2 and 3 as amended;
- the ORC Rating System 2021 rules as amended;
- the SMS Rating System Rules Book Edition 13 as amended;
- the OMR Rating System 2021 rules as amended;
- the AMS 2021 system

- the rules and regulations of each One Design Class for which there is an eligible boat entered in the race;
- the current Prescriptions, Special Regulations and amendments of Australian Sailing (Special Regulations) 2021;
- applicable Special Regulations category:
 - Inshore Fleet - Category 5N
 - Offshore Fleet – Category 3
- and this Notice of Race (NOR) except as any of these that are modified by the Sailing Instructions (SI)

1.2. Responsibility of Person in Charge

1.2.1 The safety of a boat and her crew is the sole and inescapable responsibility of the person in charge who shall do their best to ensure that the boat is fully found, thoroughly seaworthy and manned by an experienced crew who have undergone appropriate training and are physically fit to face bad weather. He must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. He shall ensure that all safety equipment is properly maintained and stowed and that the crew know where it is kept and how it is to be used. He shall also nominate a person to take over the responsibilities of the Person in Charge in the event of his incapacitation.

1.2.2 Neither the establishment of these Special Regulations, their use by race organizers, or the inspection of a boat under these Special Regulations in any way limits or reduces the complete and unlimited responsibility of the person in charge.

1.2.3 The attention of every person is drawn to Special Regulation 1.02 and also to the importance of having suitable and adequate personal insurance. It is the responsibility of owners to ensure their crew has had this drawn to their attention.

1.3. Decision to Race

The responsibility for a boat's decision to participate in this race or to continue to participate is hers alone - RRS Fundamental Rule 3.

1.4. Amendments to the Notice of Race.

The Organizing Authority reserves the right to amend this Notice of Race. Amendments will be published on the event website (www.surftocity.com). In addition, notices of amendments will also be sent to all entrants via email.

1.5. Binding Nature of Documentation

By entering the Race, the owner of a boat agrees that this Notice of Race (including amendments), the entry, the rules and regulations referenced in 1.1 and 1.2 and the Sailing Instructions, shall be complied with by the boat and the owner.

1.6. Sailing Instructions

The Sailing Instructions will be available from the Surf to City website (www.surftocity.com) from the Saturday prior to the Race.

A copy will also be distributed at the Official Race Briefing.

2. CHANGES TO RULES

2.1 Offshore Fleet

2.1.1. Changes to the IRC Rules

IRC Rule 21.1.5: A spare mainsail may be carried as a bona fide replacement for a mainsail damaged during the race.

IRC Rule 11.2 & 21.6.1: In accordance with a prescription by Australian Sailing, a boat in the IRC Handicap Category may carry one more spinnaker than shown on the boat's IRC Certificate without an increase of rating.

IRC Rule 22.4.2 shall not apply. The maximum number of crew that may sail aboard a boat shall be the Crew Number printed on her certificate plus one. There is no crew weight limit.

2.1.2. Changes to the ORCi Rules

Rule 206.1: A spare mainsail may be carried as a bona fide replacement for a mainsail damaged during the race and a boat that is also entered in the IRC division

may carry the maximum number of spinnakers allowed under its IRC certificate plus the additional spinnaker allowed under IRC Rule 11.2 & 21.6.1

2.1.3. Changes to the Racing Rules of Sailing

RRS 41: Whilst racing a boat may retrieve data from any page of websites, the details of which will be provided in the Sailing Instructions, even if that page is not publicly available.

During the race, a boat shall not contact, or be in contact with, any person or private entity using any medium to receive meteorological or hydrographical information, however a boat may obtain assistance in the form of any readily available commercial meteorological or hydrographical information regardless of cost. Amends RRS 41(c).

RRS 51: A boat with movable ballast or variable ballast (within the meaning of those terms in the Special Regulations) may move that ballast for the purpose of changing trim or stability.

RRS 52: RRS 52 does not apply to the adjustment and operation of sails or to the adjustment of movable appendages. For fully crewed boats, the rotation of a boat's rudder shall be adjusted and operated only by the power provided by the crew.

RRS 61.3: There is no time limit on protests by the Race Committee or Jury. Boats intending to protest shall inform Race Control of their intention via radio before finishing and complete the form within three hours of finishing.

RRS 78.2: Valid rating/class certificates shall be produced by the due date specified in this Notice of Race.

2.2 Inshore Fleet

2.2.1. Changes to the Racing Rules of Sailing

RRS 41: Whilst racing a boat may retrieve data from any page of websites, the details of which will be provided in the Sailing Instructions, even if that page is not publicly available.

During the race, a boat shall not contact, or be in contact with, any person or private entity using any medium to receive metrological or hydrographical information, however a boat may obtain assistance in the form of any readily available commercial meteorological or hydrographical information regardless of cost. Amends RRS 41(c).

RRS 42.3 (i) is amended to read: The Sailing Instructions will permit propulsion using an engine or any other method for the purposes of allowing a boat to continue racing following going aground. Penalty turns following the use of the engine or any other method will be required.

RRS 51: A boat with movable ballast or variable ballast (within the meaning of those terms in the Special Regulations) may move that ballast for the purpose of changing trim or stability.

RRS 52: RRS 52 does not apply to the adjustment and operation of sails or to the adjustment of movable appendages on any boat.

RRS 61.3: There is no time limit on protests by the Race Committee or Jury. Boats intending to protest shall inform Race Control of their intention via radio before finishing and complete the form within three hours of finishing.

RRS 78.2: Valid rating/class certificates shall be produced by the due date specified in this Notice of Race.

2.2.2. Changes to Australian Sailing Special Regulations

SR 3.25.1(b)(ii) is amended to read: "A permanently installed VHF transceiver OR a waterproof handheld VHF transceiver of a minimum 5 watt is required. If the latter option is used a mobile telephone in a waterproof container that is switched on and working must also be carried. The mobile telephone number must be supplied to the OA and you will be expected to contact the Race Office throughout the race on a predetermined schedule."

3. ELIGIBILITY OF BOATS

3.1. General Requirements

A boat shall:

- comply with Australian Sailing Special Regulations Part 1 and its amendments for Race Category 3 or 5N as appropriate. Off the beach type dinghies and catamarans are not eligible.
- have a crew that satisfies the requirements of Notice of Race 3.9;
- if sailing with less than three crew on the offshore course, an extension speaker for the permanently installed VHF transceiver near the helming station is required. Alternatively, the helm must carry the waterproof handheld VHF transceiver at all times and the same must remain switched on.

3.2. Insurance

Each boat shall hold a marine legal liability insurance policy with respect to the boat current when racing, with a minimum cover of A\$10 million for any one incident. Offshore Fleet entrants must ensure the insurance policy covers the boat for races of a length greater than 94 nautical miles.

3.3. IRC Boats

A boat may only be entered in the IRC Handicap Category if the boat:

(a) has a current, valid IRC Certificate, being an Endorsed Certificate issued by RORC or UNCL

(b) complies with all of the current IRC Rules and Regulations, save to the extent they are specifically amended or excluded in this Notice of Race or the Sailing Instructions (refer RRS 78.1).

3.4. ORCi Boats

A boat may only be entered in the ORCi Handicap Category if the boat:

(a) has a current, valid ORCi Certificate;

(b) complies with all of the current ORCi Rating System Rules, save to the extent they are specifically amended or excluded in this Notice of Race or the Sailing Instructions (refer RRS 78.1).

3.5. AMS Boats

A boat may only be entered in the AMS Handicap Category if the boat has a current, valid AMS Certificate.

3.6. SMS Boats

A boat may only be entered in the SMS Handicap Category if the boat:

(a) has a current, valid SMS Certificate;

(b) complies with all of the current SMS Rating System Rules, save to the extent they are specifically amended or excluded in this Notice of Race or the Sailing Instructions (refer RRS 78.1).

3.7. OMR Boats

A boat may only be entered in the OMR Handicap Category if the boat:

(a) has a current, valid OMR Rating;

(b) complies with all of the current OMR Rating System Rules, save to the extent they are specifically amended or excluded in this Notice of Race or the Sailing Instructions (refer RRS 78.1).

3.8. Safety Audits

A boat is required to have an Australian Sailing Special Regulations Equipment Audit Form:

(a) for the Inshore Course:

a Category 5N (or higher) audit completed after the 1 July 2021 is required. A self-audit is not acceptable.

(b) for the Offshore Course:

a Category 3 (or higher) audit completed after the 1 July 2021 is required. The audit must be completed by an approved national auditor; self-auditing is not permissible.

Boats intending to enter the Brisbane to Gladstone Yacht Race are encouraged to submit the “B2G Category 3 updated” audit form to avoid the need for duplication at Easter.

If you are submitting a Category 3 updated or higher audit you must specify if you will be carrying the life raft and PLB's listed on that audit

3.9. Eligibility of Crew

All crew shall comply with RRS 2021-2024, Rule 46 i.e. be members of a club affiliated to Australian Sailing and have an Australian Sailing Number. Crew who do not hold an Australian Sailing Number may apply to the Organising Authority for a valid Sail Pass.

The minimum number of crew on a boat shall be 2.

A maximum of two crew members aged under 18 years as at January 22, 2022 shall be on board a boat.

For crew members younger than 18 years of age, a Juvenile Consent Form signed by a parent / guardian is required together with evidence of past sailing experience. The Organising Authority may, in its absolute discretion, refuse to allow any crew member aged under 18 years of age to participate in the race.

At least one crew member on a boat shall hold a Marine Radio Operators VHF Certificate of Proficiency (MROVCP) or higher qualification issued by a relevant authority for the VHF radio on board. Where there are only two crew on board, both crew members must meet the license requirements. Special Regs 3.25.8

3.10. Onshore Yacht Contact

An Onshore Yacht Contact (OYC) shall be nominated at the time of entry. It is the skipper's responsibility to ensure that the OYC has a complete list of contact details and next of kin details of all crew members. The OYC must be contactable during the race and will be the primary contact for the Organising Authority in the event of an incident. **The OYC must understand the responsibility they are assuming.**

3.11. Determination of Eligibility

A decision of the Organising Authority or the Race Committee as to any matter under this paragraph 3, including as to whether a boat and her crew meet the eligibility criteria for entry in the race, is final and binding and shall not be grounds for a request for redress.

3.12. Inspections

In accordance with the Special Regulations Part 1, all safety equipment shall be on board and available for inspection. On request by the Race Committee, boats shall be made available for spot inspections to audit safety regulation compliance. Spot checks may be carried out at any time in the 24 hour period prior to the warning signal or after a boat finishes.

4. DOCUMENTATION TO BE LODGED

4.1. Application for Entry

An application for entry shall be made online at www.surftocity.com with the following items addressed:

- Entry fee(s) (Notice of Race 6)

- A colour photograph of the boat suitable for search and rescue purposes.
- Contact details of the Onshore Yacht Contact
- A list of crew names, complete with mobile phone number, email address and Australian Sailing Number.
- A Juvenile Consent Form for each member of the crew with an age of less than 18 years old as at January 22, 2022
- Multihull boats entering an OMR division shall submit their crew weight declaration.
- Boat EPIRB hex number (*Offshore Fleet only*)
- Special Regulations Form for Category 3, Category 3 Uprated or higher, or 5N as appropriate
- Proof of Public Liability Insurance as outlined in Notice of Race 3.2.
- A current AS Keel and Rudder inspection (*Offshore fleet only*)
- Marine Radio Operators VHF Certificate of Proficiency (MROVCP) or higher qualification issued by a relevant authority for the VHF radio on board for at least one crew member. For two handed entries, both crew members must provide this evidence.

A completed entry, plus the additional items specified above, shall be received by the Organizing Authority on or before 1600 hours on Sunday, 16 January, 2022.

The entry and the above items may be accepted after that date at the discretion of

the Organizing Authority, subject to a request for late acceptance being made and the late entry fee being paid.

4.2. Pre-start Documentation

Subject to acceptance of an entry by the Organizing Authority, the following additional items shall be lodged with the Organizing Authority via online at www.surftocity.com by 1600 hours on or before Thursday, 20 January, 2022

- Current valid IRC, ORCi, AMS or SMS rating certificate (as applicable)

No entry documentation (apart from the above rating certificates) will be accepted after 1600 hours Sunday, January 16, 2022 unless the late documentation penalty is applied.

Competitors found to be falsifying documentation, deliberately invalidating certificates of otherwise misleading the Race Committee with regards to their entry documentation are subject to action under RRS 69.2. If found guilty the penalty could include disqualification from the Surf to City Yacht Race.

Privacy Note: Personal information about crew members is obtained in crew lists. That information is obtained for use in search and rescue situations and for media purposes. The information will be given to search and rescue authorities and organizations, the Water Police, volunteer coastal stations and media representatives, and may be passed on by them to other organizations. A condition of entry is that crew members are to be informed of this and advised that they may obtain access to the information held about them by contacting the Organising Authority.

5. CHANGES TO CREW LIST

A boat's crew list may be amended to correct errors or changed to allow for late crew changes or after protest but shall not be changed later than 08.00 on January 22,

2022. After any change to a crew list, the boat shall still satisfy general requirements of section 3.

- PHS monohull
- PHS multihull
- Shorthanded PHRF monohulls
- Vintage PHRF monohull

Inshore Fleet

- SMS monohulls
- PHS monohull
- PHS multihull
- OMR multihulls
- One design
- Skippers of any class e.g. RL24, Blazer can apply for a special category to be included in the Race. Skippers should ensure there will be at least five boats within the category prior to application to the Organising Authority.
- All categories are subject to a minimum of five entrants. This does not apply to PHRF categories.
- The Organising Authority's determination as to whether an additional handicap category or division will be accepted is final and binding.

7.2. Club Event

The Club event acknowledges the best performing Club in the Race. Entrants who are members of more than one Club should list the Club they wish to represent on their entry form. No extra entry fee required.

8. SCORING

8.1. IRC (Overall and all Divisions)

Results will be calculated by the application of the IRC Time Corrector (TCC) as a multiplier of elapsed time. The boat with the lowest corrected time (after application of scoring penalties, if any) will be scored first.

8.2. ORCi (Overall and all Divisions)

Results will be calculated by the application of the Time-on-Time Simplified Scoring Option, using the ToT Offshore rating as printed on each boat's ORCi Certificate, as a multiplier of elapsed time. The boat with the lowest corrected time (after application of scoring penalties, if any) will be scored first.

8.3. AMS

Results will be calculated by the application of the AMS scoring system. The boat with the lowest corrected time (after application of scoring penalties if any) will be scored first.

8.4. SMS (Overall and all Divisions)

Results will be calculated by the application of the SMS Time Corrector Factor (TCF) as a multiplier of elapsed time.

The boat with the lowest corrected time (after application of scoring penalties, if any) will be scored first.

8.5. PHRF (Overall and all Divisions)

Results will be calculated by the application of Time Correction Factors (TCF's) as a multiplier of elapsed time.

A boat's TCF will be determined by the Race Committee or its nominee. The TCF will not be subject to protest or dispute (amends RRS 60.1 and 62.1(a)). However, Skippers will be given the opportunity to request a review of their allocated TCF prior to the Compulsory Race Briefing.

The boat with the lowest corrected time (after application of scoring penalties, if any) will be scored first.

8.6. OMR (Overall and all Divisions)

Results will be calculated by the application of OMR Rating as a multiplier of elapsed time.

A boat's OMR Rating will be determined by a MYCQ delegate, after the boat's skipper has declared crew weight data. The rating will not be subject to protest or dispute (amends RRS 60.1 and 62.1(a)).

The boat with the lowest corrected time (after application of scoring penalties, if any) will be scored first.

8.7. One design classes

The boat to finish first will be scored first.

8.8. Club event

The scores for each club will be calculated by accumulating the best three scores within the PHRF categories from all the boats from each club. If a club does not have the required number of competitors, a default score shall be awarded for each missing competitor.

9. COMPULSORY RACE BRIEFING

A race briefing (including a Weather Briefing) will be held at Southport Yacht Club at 2030 on Friday, January 21, 2022

The skipper and one other member of the crew shall physically attend the compulsory briefing.

The briefing will be Live Streamed via the Race Facebook page. It is recommended that all other crew members watch the Live Stream. (pre-registration is not required).

10. EVENT CLASSIFICATION AND ADVERTISING

10.1. General

Advertising on a boat shall comply with ISAF Regulation 20 (ISAF Advertising Code). The Organizing Authority may decline to accept an application for entry of a boat which, in its opinion, is carrying advertising which conflicts with governmental regulations or event sponsors. In any case of doubt, the Organizing Authority should be consulted as soon as practicable.

An application for entry shall contain brief details of all advertising that a boat intends to carry. The Organizing Authority shall be advised of all changes to that advertising.

The advertising rules apply from 0700 hours on the morning of the race until completion of final presentation.

10.2. Trademark Restriction

"Surf to City Yacht Race" is a mark of the Queensland Cruising Yacht Club and the use of the mark and logo is absolutely

restricted and limited to use by or with the consent of the Organizing Authority.

Berthing at Southport Yacht Club prior to the event must be made directly with the SYC marina office 5591 8577.

14.2 Shorncliffe

Berthing will be allocated on arrival at QCYC. The Club undertakes to provide a berth for all competitors in so far as is possible however skippers are required to assist in this regard by asking the Race Office or Marina Marshalls (if present) for berth allocations prior to leaving the boat and by ensuring space is not wasted due to inconsiderate berthing; large multihulls in particular MUST obtain a berth allocation prior to leaving the boat.

The ends of the T-Heads are reserved for offshore fleet monohulls where there is approximately 3m LAT. Berthing is free of charge until 1000 hours on Tuesday, January 12.

15. LAUNCHING & RETRIEVING OF TRAILERABLES

15.1 SYC Hollywell

Entrants may use the SYC Hollywell facilities for launching and retrieving of boats by arrangement with the Hollywell Sailing Squadron. Trailers and vehicles must not be left on the property unless specifically directed. Use of the crane is limited. For further information regarding SYC Hollywell contact them on 07 5537 7030.

15.2 SYC Main Beach

Entrants may use the SYC Main Beach facilities for launching and retrieving of boats by arrangement with the Marina Office on 5591 8577. Trailers and vehicles may be left on the property providing all owner details are provided. No responsibility is assumed for property left on premises.

15.3 QCYC

The Club ramp and adjacent upstream Public ramp will be available for recovery. All boats with trailers must be removed from the water at the first opportunity.

Non-members parking for vehicles and trailers is available in the overflow parking area on the other side of the road from the club.

16. BUS TRANSPORT TO SOUTHPORT

Buses will be available to transport crews from QCYC to Southport prior to the race. Pick up points will be at QCYC and Old Cleveland Road. Refer to the Surf to City website for times and prices. Seats must be booked and paid for in advance. No refunds are available.

17. TROPHY PRESENTATIONS

The overall winners and divisional winners will be announced and presented with trophies at a presentation ceremony held at Queensland Cruising Yacht Club on Sunday, January 23, 2022 at noon. Full details will be outlined in the Sailing Instructions.

18. DISCLAIMER

All those taking part in the race do so at their own risk and responsibility. Crew members must be informed of this by their skipper and are deemed to acknowledge this, and release the Organizing Authority, Sponsors and their respective officers, employees, volunteers and members, from all liability.

Specific attention is drawn to RRS Fundamental Rule 3, which states:

“The responsibility for a boat’s decision to participate in a cruising event or race, or to continue racing is hers alone”
