

# OMR Weight Declaration Form

Boat Name .....

Owner / Skipper .....

6.4 Crew number (NC) and total weight of crew in normal fair weather sailing clothing shall be declared. (WC)

A nominal weight of 4kg per crew member shall be added to the declared weight for entry in the spreadsheet as a crew gear allowance. (NC\*4Kg)(This will be done by the OMR rating officer)

Rated weight RW = WM + WCD + (WE when applicable)

Where WCD = WC + NC\*4

6.6 The WCD shall not fall by more than 2.5% during the regatta. Extra crew numbers and weight may be carried without change to the rating.

6.7 A Race Committee at its discretion may require the weighing of the crew immediately prior to particular races or regattas for the purpose of rating those specific events only.
